

Quality, Health, Safety and Environmental (QHSE) Policy

Our mission

We want to be the industry's reliable and flexible partner for customized high-quality electromechanics.

We want to be the preferred partner to harbours for integrated marina solutions

Our principles

Quality

We provide high quality products, solutions and services to our customers.
We continuously improve our processes.
We meet regulatory requirements and applicable (inter)national standards.

Care

We foster a culture of respectable collaboration with all stakeholders.

Health and Safety

We conduct our business without compromising health and safety of all people involved and with respect for the environment.

Sustainability

We provide the necessary resources to achieve our mission and utilize these resources in a sustainable way.

Our commitment

To follow these principles, **arabel** is committed to:

- Zero defects to meet and exceed our customer's expectations.
- Zero accidents by eliminating hazards and reducing safety risks.
- Measure quality performance and develop annual quality objectives to achieve continuous and sustainable improvement.
- Strive for compliance to ISO 9001 through audits.
- Address quality issues and their impact on products and processes.
- Promote quality awareness among all stakeholders in our business.
- Hold every employee accountable for their commitment to our principles.

Christian Onselaere - CEO
